

Instructions for Night Line

All requests for employment will be placed on the night line answering machine at 4:30 pm each day. Applicants seeking employment may call the night line at 1-479-783-6523 or 1-800-854-9433 between the hours of 4:30 pm and 8:00 am. If there is no answer by the 6th ring there are no calls. If an applicant is willing to accept one of the calls, he/she should leave their name and phone number and which job they will accept on the answering machine. The dispatcher will call the respondents after 8:00 am, letting the applicant know who caught the call. Applicants must be on the out of work list prior to the call being placed on the night line.
